Hybrid participation: Remote participants will be able to attend all the oral presentations. They will be able to provide feedback using Slack. They won't be able to participate to the poster session, coffee table discussion and social events. Live presentations will be recorded and posted during the meeting,

Projects Review (all participants): The PI will coordinate Lightning talks by the students, postdocs and collaborators involved in each project.

Poster Session (all participants): Informal discussions around the posters. The poster will present the same material as in the one covered by the pre-recorded presentations.

Coffee table discussions (all participants): One PI and one person from IAB in charge of reporting will stay at the same table. All others can rotate from one table to the other during the discussion.

IAB Organizational Meeting and Formative Discussion (IAB Members only): Discussion of impressions of previous day presentations and Airtable forms review. Formulation of recommendation/feedback to center leadership

IAB Meeting (IAB Members, and center directors): Discussion of proposed projects; Voting; Formulation of funding recommendation to center leadership.

Day 3: Wednesday, March 18, 2026

Location: Clean Energy Park at Elk Hills Field, Kern County, California.

7 am – 3 pm: Visit of the carbon capture and storage (CCS) facilities of the California Resource Corporation (CRC), departure from Resnick Sustainability Center Breezeway.

**Lunch boxes will be provided.*
